- We've partnered with an RCM company

BILLING DATA ENTRY

BILLING DATA ENTRY

- Keying accounting data into a funder portal
    - Non-healthcare funding sources
    - Schools, courts, contracted entities

- Keying claims data into a state or county system
    - Counties or payers that don't offer 837s/EDI
    - Local entities with manual billing processes

- Information entered: same information that goes on the CMS 1500

PRICING

PRICING

Monthly Fee
- $3000 minimum, variable based on # of encounters
- Up to $3.25 per encounter

Activation Fee
- Dependent on volume of encounters

What is an Encounter?
- The number of times a client receives a distinct service from a clinician
  - Each date of service
  - Each CPT code that isn't a component of a visit
- *Example*: If a client has 10 dates of service that need to be entered into one system = 10 encounters
- *Example*: If a client has an assessment, medication management, and individual therapy on the same date of service = 3 encounters

RCM ELIGIBILITY

RCM ELIGIBILITY

- **Encounter Volume**
  More than 1000 encounters per month

- **Payer/Funder Portals**
  Claims, encounter, or accounting data is keyed into a portal regularly

- **County Location**
  Providing services in a county without EDI capabilities

- **Support Needed**
  Long-term or short-term operational assistance is needed to focus on other priorities
